

知网查重教师个人账号操作指南

一、人事论文评审服务系统（链接） <https://rs.cnki.net/#/login>

二、登录步骤

1. 点击【作者用户】需先登录中国知网个人账号（没有的注册即可）

The screenshot shows the CNKI login interface. On the left, the '中国知网统一认证平台' (CNKI Unified Authentication Platform) is displayed with the CNKI logo and website address. Below the logo, there are three main features: '统一账号登录' (Unified Account Login), '账户安全保障' (Account Security Protection), and '无缝切换' (Seamless Switching). At the bottom left, a blue button labeled '知网个人账号登录' (Login with CNKI personal account) is highlighted with a red box. To its right, a blue arrow points to '绑定本系统账号 (已绑定可忽略)' (Bind this system account (binding can be ignored)).

On the right side, the '用户登录' (User Login) section is shown. The '作者用户' (Author User) tab is selected. A yellow warning box states: '您需要使用知网个人账号进行登录。首次登录需绑定本系统账号，下次可直接使用知网账号登录。' (You need to use a CNKI personal account to log in. For the first login, you need to bind this system account, and for subsequent logins, you can use the CNKI account directly). Below this, there is a search bar for '请输入用户名/邮箱/手机号' (Please enter username/email/mobile number). A large red box with white text is overlaid on the page, reading '需要先登录 知网个人账号' (Need to log in with CNKI personal account first). Below the search bar, there are links for '立即注册' (Register immediately) and '忘记密码? 点击 找回密码' (Forgot password? Click to recover password). A blue '登录' (Login) button is present, along with a checkbox for '我已阅读并接受《使用协议》和《隐私政策》' (I have read and accept the Terms of Use and Privacy Policy). A QR code and the email 'amlc@cnki.net' are also visible.

2. 机构选择【沈阳工业大学图书馆】再登录图书馆为大家注册的查重账号

This screenshot shows the same CNKI login interface as the previous one. The '作者用户' (Author User) tab is still selected. The yellow warning box is present. In the search bar, the text '沈阳工业大学图书馆' (Library of Shenyang University of Technology) is entered. Below the search bar, there is a large red box with white text that says '输入账号密码' (Enter account password). Below the search bar, there are links for '立即注册' (Register immediately) and '忘记密码? 点击 找回密码' (Forgot password? Click to recover password). A blue '登录' (Login) button and a light blue '返回' (Return) button are visible. A QR code and the email 'amlc@cnki.net' are also visible.

At the bottom left, the '绑定本系统账号' (Bind this system account) button is highlighted with a red box.

3. 查重账号绑定至知网账号后，只需登录知网账号即可进入查重页面
